

The FAA Safety Team presents:

FAASTeam Flight Instructor Open Forum

Continue the Forum Series with these Core Topics; Certification Standard Changes, Security-Related Special Use Airspace, Unmanned Aircraft Operations. This forum will include a presentation from Norm Isler on Unmanned Aircraft (UAS). What are you teaching your students about UAS? Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! FREE Pizza and soft drinks; Reserve your seat now by clicking on the link below, we do expect full capacity. Don't miss this important event!

Directions: From Rt 390, take Brooks Ave West. Enter ramp leading to the airport. FAA FSDO is located in the bottom floor of the US Airports Bldg on the right. Conference room is through the open doors.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants.
